Dear Dale,

I would be remiss if I allowed another day to pass without expressing my appreciation for the wonderful work you and your very talented team have done for Classic Residence by Hyatt in 2004. Our Boca Raton, Naples and Hollywood properties are absolutely stunning as a result of your firm's interior design acumen. I cannot say enough about the very positive reaction and commentary we are receiving as a result of your extraordinary vision. It truly is difficult to believe the transformation of these interior spaces, and this sort of very positive buzz from our customers is just what was needed, requested and thanks to you, *delivered*. This could only have been accomplished by an outstanding design team with exemplary leadership. Many thanks for all of your efforts, and I'm looking forward to future outstandingly successful engagements.

Warm Regards,

Donald L. Hammond
